

BLUE MOON

**Digital Store & Network
Marketing**

www.Membership.bluemoon7.com

ABOUT US

The Blue Moon company, also known as a network marketing chain company, it is a business model that relies on a network of independent distributors or representatives to sell products or services directly to consumers. Blue Moon often emphasizes recruitment and building a team of distributors as a key aspect of their business strategy. Blue Moon company typically has a hierarchical structure where distributors earn commissions not only on their own sales **(Membership)** but also on the sales **(Membership)** generated by the distributors they recruit, as well as those further down the recruitment chain.
